Heagney Announces Chamber Music Grant

\$3,000 Goes to Promote Arts In Simsbury

HARTFORD- State Representative Rob Heagney (R-Simsbury) today announced that the Simsbury Chamber Music Festival, Inc. would receive \$3,000 through the Connecticut Commission on Culture and Tourism's Culture and Tourism Partnership Grant Program.

The funds will be used to support bringing audiences to Simsbury for music and art, ultimately promoting Simsbury as a cultural destination and drawing patrons to downtown business and restaurants.

The Culture and Tourism Partnership Grant Program was created to encourage new partnerships, expand the scope of current programming and jumpstart creative programs, attracting new audiences and generating fresh ideas.

"I am very pleased about the award of this grant," said Representative Heagney. "I congratulate the Simsbury Chamber Music Festival, Inc. for the great quality entertainment and culture they bring to the Simsbury region, and I have every expectation that they will make excellent use of the funds toward the great work they do."
